Year of the Tiger is over, and the Rabbit welcomes the New Year.

In this season of renewal, we welcome a romantic Christmas before the New Year, and the Chinese New Year that follows - when the whole nation celebrates.

Events of the recent months gifted us wonderful memories - The Hong Kong Jockey Club launched the themed series events to update its plans for the Greater Bay Area, and to showcase the full value proposition to our Mainland Members - “Lifestyle of Champions.” Beijing Clubhouse conducted the elegance of ikebana seminar; restarted “Read to Love” charity reading programme and led the charity journey on the theme “Gathering of Champions, Dissemination of Goodness.”

During the season, Beijing Clubhouse will present thematic delicacies for Christmas and New Year at our restaurants. We invite you to share our rice cake gift box, festive pastries gift box, and festive hampers. The wide choice allows you to create unforgettable moments to bid farewell the old year and welcome the new year.

We have done a lot of brilliant works in the past, let us start the New Year with further progress. Beijing Clubhouse will conjure more magical activity around the three pillars: “Horse Connoisseur”, “Social Sophistication,” and “Community Leadership,” with our Members for a new chapter.

In this joyful moment, I wish you all a happy, healthy, and prosperous New Year!
